

IHA has compiled resources for hospitals including: a webinar recording, reporting files and member memos for implementation of new pediatric bed regulations.

- The Illinois Dept. of Public Health (IDPH) adopted amendments to the hospital licensing regulations (Jan. 5 Illinois Register pages 450-498) that will finalize implementation of the new pediatric bed regulations. A <u>Jan. 17 memo</u> provides additional information on these new regulations.
- IHA and ICAHN hosted a webinar on April 30 to assist in preparing hospitals for new state requirements on pediatric inpatient and
  observation care. To view the recording, <u>click here</u> and use the password: kWbhPmC3 to gain access. Additionally, the Presentation
  Slides from the April 30 webinar can be found <u>here</u>.
- Download the Pediatric Data Tool <u>spreadsheet</u> and the Pediatric Data Tool for Consulting Hospital <u>spreadsheet</u> to track data monthly for submission to IDPH. Data can be submitted quarterly by the 15th day of the month following the quarter (i.e., 4/15, 7/15, 10/15 and 1/15) of each year.
- The relevant sections of the Hospital Licensing Requirements related to the pediatric bed rules are: <u>Section 250.310 c</u>) and <u>Section 250.1520 i</u>) and <u>i</u>).
